Mr. K,

I wanted to let you know that we received your letter dated 2 January this morning. The security issue at the airport was brought up today at our regularly scheduled Monday Rules meeting and several of the Councilmembers were concerned that they did not have enough information or time to go over all the letters/e-mails that have come in before making a decision so the Jan 13th vote on proposal 2014-108 (amending the Thun Field rules) will be postponed and the subject discussed at a later date TBD.

Thank you for your letter, comments and suggestions.

Alice McDaniel (Sniffen)

Pierce County Councilmember Assistant for

Doug Richardson, District No. 6
